the afternoon. Competitors must take their place in squad according to the squad number on the Whip's list, and this number must correspond to the number on the Competitor's card.

Arena Stewards.—At 2.10 Arena Stewards will check the Whip's lists and the positions of the Competitors, notifying the Judges of any Competitors who may have scratched.

At 2.20 the Stewards will march the Competitors to the Judges at each piece of apparatus, and at the conclusion of work on that apparatus march the squad to the next apparatus set down on their order form.

Collecting of Score Sheets.—After a squad has completed its work upon any piece of apparatus, the Steward of that squad shall collect and place in the portfolio provided for the purpose the Score Cards of each of the three Judges who acted at that piece of apparatus, and then upon the proper signal march his squad to the next piece of apparatus to which it has been assigned.

While the squad is at work on this fresh piece of apparatus, the Steward will take the Score Cards received from the Judges of the last piece of apparatus to the Scorers' office, and hand the cards to the Scorer sitting below the letter corresponding to his own squad letter (receiving a voucher in exchange for the Score Cards handed in) and then return to his squad.

This carrying of Score Cards to the Scorers' office will be repeated after every change of apparatus.

When work has been completed on all the pieces of apparatus the Stewards will march their squads to the arena exits and hand them over to the Whips, who shall conduct the squads to their dressing rooms and, dismiss the Competitors.

As soon as the squads have been handed over to the Whips the Stewards shall, before themselves leaving the arena, carry the last set of Score Cards to the Scorers' office.

TEAM COMPETITIONS.

The work of collecting and conducting Teams to and from the arena will be carried out in a similar manner to that of the squads.

Two of the best authorities on Gymnastics in London recommend that the entire system of marking, both for Heptathlon and for Teams, should be altered on future occasions. Ten, they think, should be the maximum instead of twenty-four, and the marks should be awarded subject to

- (a) Difficulty and quality of combination.
- (b) Style and sequence.
- (c) Variety.

marking from 10 for a perfect performance down to 0 for an utter failure.

Rings, whether stationary or swinging, should in future be omitted. The staging is both costly and difficult to erect, and the exercises are very similar to those on horizontal bars.

The Rope should be a time-test as well as a distance-test, the two minutes allocated to other pieces of apparatus being adhered to in this also.

It is the first time since 1896 that an Italian has won the Heptathlon, though some authorities present were of the opinion that his overwhelming
